

Volume 290, May 2006

Pages R1468–R1478: Fumi Katoh, Martin Tresguerres, Kyung Mi Lee, Toyoji Kaneko, Katsumi Aida, and Greg G. Goss: “Cloning of rainbow trout SLC26A1: involvement in renal sulfate secretion” (<http://ajpregu.physiology.org/cgi/content/full/290/5/R1478>). The blots of Fig. 7 are misrepresented in the first line of the legend. The correct representation is as follows: vacuolar-type H⁺-ATPase (V-ATPase) (A) and Na⁺-K⁺-ATPase (B).
